Subject: Dimock - Schedule and Financials

Good morning Rich,
Hope you had a good weekend. During the March sampling event at Dimock there was some talk about potentially performing some additional sampling at the Site. For planning purposes, I was wondering if you had any idea if this will actually happen, when it will happen, and the scope of the sampling (i.e. number of homes, and parameters to be analyzed)?
Also, the receipts for the February invoice were e-mailed to you on Friday. If you have any questions regarding the receipts please let me know.
Thanks,

Suddha Graves
